

iFIT Cluster of Excellence

“Cluster of Excellence” is the name of a funding line granted by the German Federal and State Governments (DFG) as part of its Excellence Strategy.

iFIT [*Image-Guided and Functionally Instructed Tumor Therapies*] is also part of the University of Tübingen and the University Hospital. This symbiosis provides an ideal environment to successfully develop our research on new *Tumor Therapies*.

iFIT Equal Opportunities Office

iFIT aims for Equal Opportunities and Gender Equality. To focus on these areas it has been created the iFIT Equal Opportunities Office - responsible for the organization of the iFIT Symposium “*Women in Science*”.

The office has an active role in the areas of *Female Career*, *Family Friendly Practices* and *Promotion of Diversity*.

iFIT Equal Opportunities Coordinator:
PD Dr. Juliane Walz

iFIT Equal Opportunities Representative:
Prof. Dr. Christian la Fougère

iFIT Equal Opportunities Representative:
Dr. Eva-Maria Brauchle

For any question please contact the iFIT Office

iFIT Symposium Women in Science

March 25th 2020

Universitätsklinikum
Tübingen

iFIT Symposium “Women in Science”

The iFIT Symposium “Women in Science” is part of the iFIT Equal Opportunities Program and is specially designed for women working in the scientific field.

The event will provide a unique opportunity to learn and hear about:

- The experience of remarkable women who excel in their careers;
- Strategies for women to succeed in a field where mostly men succeed;
- Strategies for women to create/improve networking;
- Early career opportunities specifically designed for women;
- Implemented programs/guidelines to promote equal opportunities;
- Programs designed to provide balance between work and family.

Following the lectures there will be a **Round Tables** session where you can sit with each speaker and discuss any further questions regarding the subject. In the **Market of Possibilities** you can find informative material about the programs approached and more.

iFIT will provide **childcare support onsite**. To register contact the iFIT Office ifitoffice@med.uni-tuebingen.de

We are looking forward to inspirational talks by our invited speakers presenting their career path and giving information about supporting programs, pitfalls and options to combine career and family as a woman.
